### NEWS FROM MR. WILLIAMS

Hi, everyone.

It appears we are going to be in for a decent weekend of weather. Hopefully the sun will be shining so that things can begin to dry up for the farmers. It might be a good chance for everyone to finish up any remaining yard work.

We have four student teachers in the building this fall. Please stop by and introduce yourself to them and welcome them to Souris School.

The list is as follows:

Chris Elliott – is in the gym with Mr. Penner

Joe Pulver – is in the classroom with Mrs. Popple

Nathan Zadorozny – is in the gym with Mrs. Young

Matthew Brooks – is in the classroom with Mr. Yon

I wanted to remind everyone that students who are not regularly on a school bus route may be invited to ride on the bus but must have the driver's permission to do so. Each route driver has a passenger manifest and some of our busses are quite full so it is important to communicate any requests directly to the driver. It is the responsibility of the parent of the bus

student who has invited a friend to their home to make sure that they contact the route driver to request permission for their child's friend(s) to ride the bus. Please have this arrangement made in advance to ensure a smooth departure from school.

Since this is the last newsletter before Halloween, I hope everyone has a good time. The forecast is for cool temperatures and a possibility of rain so please dress accordingly. Please be mindful of other people's property and other people's safety. Be mindful of the little children running around the neighborhoods and remember that Halloween is for fun – harmless fun. Eggings and soapings are not fun...it is vandalism. Eggs do a really swell job of removing paint from houses and cars. We have had a couple of incidents in the past year of eggings, soapings, etc., in and around the community. Parents, please talk to your children about appropriate and inappropriate behaviour during Halloween.

Have a great weekend.
